MEMORANDUM FOR: Hugh Montgomery
Director of Intelligence and Research
Department of State

SUBJECT: Department of State Intelligence
Coordination Function

1. Thank you for sending me Larry Eagleburger's memorandum reaffirming INR's responsibility for coordinating the Department's relationship with the Intelligence Community. My staff understands INR's role well. I have had this memorandum circulated to reinforce that understanding.

2. I share your gratification that the Intelligence Community Staff and INR have had an increasingly close working relationship. You may be certain that this will continue.
